

Maintaining the Garden

**Garth End Cottage
Thornton Dale**

A brief history of the garden

Compost

Fruit and vegetables

Lawn

Mulching

Paths

Pests and problems

Topiary

Trees

Watering

Weeds and thugs

Wildlife

Watering

Mainly baskets and containers.

5 water butts around garden.

Baskets watered daily. Pots less often

Lots of
baskets and
pots to water.
All done with
rainwater.

Belfast sinks

Hose used for filling the pond – and paddling pool.
